

St. Paul City Conference

BASKETBALL STATISTICAL REPORT

Volume XVII

1986 - 1987

Compiled by John Vosejпка

FOREWORD

The 81st season of St. Paul City Conference Boys' Basketball is now history. You were part of that history. My annual report is a look at the statistics of the just-completed season, as well as past seasons. It is the culmination of over 100 hours of compilation, typing, mimeographing and binding.

This report is, by no means, the effort of just one individual. My thanks go to every coach, assistant coach and scorer that assisted in submitting the game summary sheets. You made this report possible!

As I have stressed in previous reports, my sole objective in compiling statistics for the conference has always been to give every player and coach in the conference some well-deserved recognition and to give special honor to those that excel in a particular category. Remember that a player's ability cannot, and should not, be measured solely on his statistics.

This season saw Central end its record conference winning streak at 56 games (St. Thomas defeated the Minutemen 62-61.) The winning streak tied the record for consecutive games without a loss for any major sport in the conference. Johnson's hockey team posted a 55-0-1 record in a 56 game span in the early '60s. The Dan Brink coached Minutemen went on to win their fourth straight conference title (eighth in the last nine years). Central also extended to 31 years its streak of consecutive years without posting a losing record in the conference (in 1956 they were 1-7). For the second time in four years a player that had the best scoring average in the conference did not win the scoring title. Due to an injury that forced him to miss the last eight conference games, Humboldt's Scott Aeilts did not play in the necessary two-thirds of his team's games. Ironically Scott's brother, Steve, was the player in 1984 that did not win the scoring title due to an injury. For the first time ever in City Conference basketball history a player played for two different schools in the same year. Mike Shypulski started the season with Central and finished with Humboldt. Hill-Murray and St. Thomas participated in their final year in the City Conference. I think everyone will agree that both teams strengthened and provided tougher competition in the conference. Best of luck to the Pioneers and Cadets in the future.

As you peruse the pages of this and previous reports, I hope that it will help you remember the players, teams and records of St. Paul City Conference Boys' Basketball. See ya!
