BOYS'  
BASKETBALL**

**STATISTICAL REPORT**

**Volume XXIII**

**Prepared by John Vosejka**

## FOREWORD

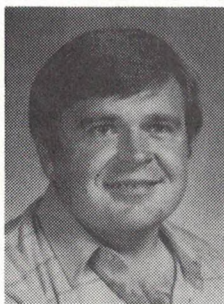

*The 88th season of St. Paul City Conference Boy's Basketball is now history. You were part of that history. My annual report is a look at the statistics of the just-completed season, as well as past seasons. It is the culmination of over 50 hours of compilation, typing, duplication and binding.*

*This report is, by no means, the effort of just one individual. My thanks go to every coach, assistant coach and scorer that assisted in submitting the game summary sheets. You made this report possible!*

*As I have stressed in previous reports, my sole objective in compiling stats for the conference has always been to give every player and coach in the conference some well-deserved recognition and to give special honor to those that excel in a particular category. Remember that a player's ability cannot, and should not, be measured solely on his statistics.*

*Cretin-Derham Hall won its fourth consecutive Conference title (winning two outright and sharing the other two with Central). After breezing through the conference schedule undefeated, Cretin-D.H. suffered its only regular season loss to Roosevelt in the Twin Cities game. This did not deter the Len Horyza coached Raiders as they stormed through the Sectionals and went on to the State Tournament where they captured their second state title in three years. Congratulations to Cretin-Derham Hall, 1993 Boy's Class AA Champions!! Cretin-Derham Hall's Jeff Ellens won the scoring title with the lowest average points scored (15.5 ppg) since 1973 when Central's Stan Hill averaged only 14.4 points per game.*

*On February 24th the 300,000 point was scored in City Conference history. In the 3348 conference games from the past 88 seasons, 300,915 points have been scored. This season the conference returned to a balanced double round-robin schedule. Since I annually compare statistics from the just-completed season to the previous season, I was forced to use a proportional number in lieu of the missing game last year to make a fair comparison. In cases where this was done, an asterisk (\*) is noted.*

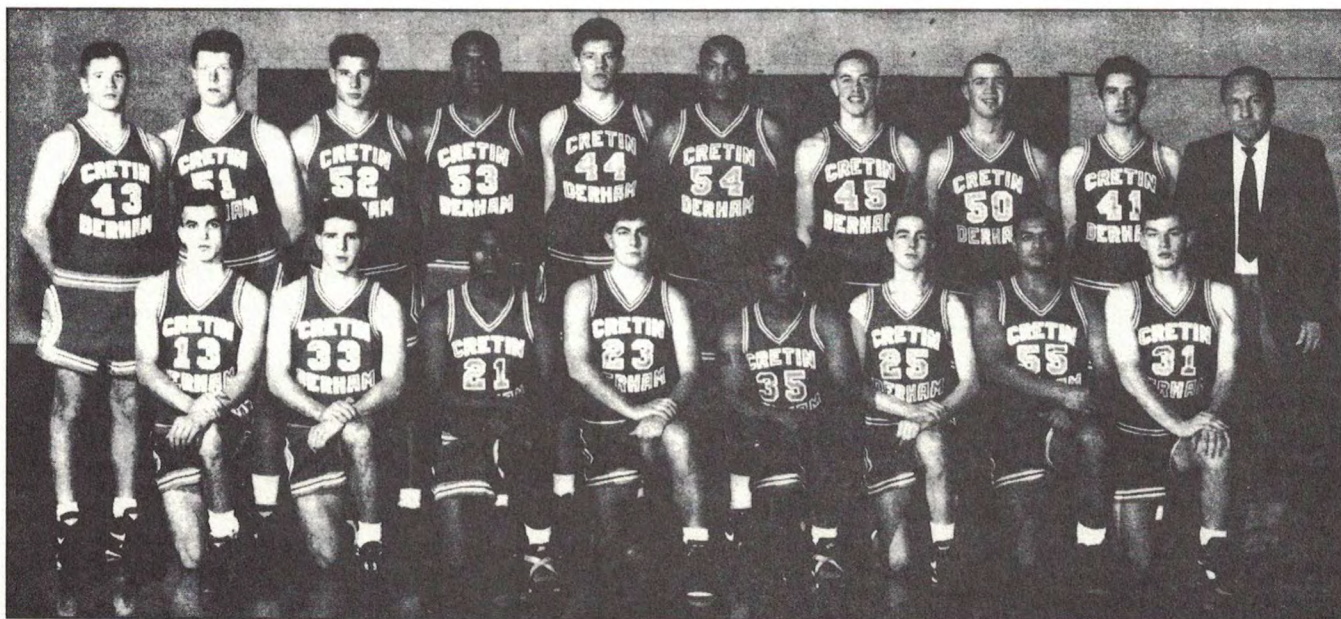

*This spring I will be publishing the complete history of the St. Paul City Conference in football, basketball and hockey. Titled "Results, Records and Rarities," it will list team-by-team individual statistics along with various school and conference records. Look for this report sometime in May.*

*As you peruse the pages of this and previous reports, I hope that it will help you remember the players, teams and records of St. Paul City Conference Boy's Basketball. See ya!*
