**STATISTICAL REPORT**

**Volume XIX**

**Prepared by John Vosejka**

## FOREWORD

*The 20th season of St. Paul City Conference Girl's Basketball is now history. You were part of that history. My annual report is a look at the statistics of the just-completed season, as well as past seasons. It is the culmination of over 50 hours of compilation, typing, duplication and binding.*

*This report is, by no means, the effort of just one individual. My thanks go to every coach, assistant coach and scorer that assisted in submitting the game summary sheets. You made this report possible!*

*As I have stressed in previous reports, my sole objective in compiling stats for the conference has always been to give every player and coach in the conference some well-deserved recognition and to give special honor to those that excel in a particular category. Remember that a player's ability cannot, and should not, be measured solely on her statistics.*

*Cretin-Derham Hall won its second straight conference title this season. The Raiders extended their conference winning streak to 20, tying their longest winning streak ever in the conference (1983-1984). The Tom Cody coached Raiders went on to capture the Twin Cities title by defeating Henry, the fourth straight Twin Cities win for St. Paul and increased the overall record in the annual late winter game to an astounding 16-3 record. The Raiders finished as runner-up in Section 3AA. The Raider's Julie Hamiel ended her City Conference career by winning the scoring title. Julie amassed 625 points in the conference over her four years as a Raider, putting her in 10th place on the all-time points scored list. Congratulations, Julie, and good luck in the future.*

*As you peruse the pages of this and previous reports, I hope that it will help you remember the players, teams and records of St. Paul City Conference Girl's Basketball. See ya!*
