**1996 - 1997
GIRL'S
BASKETBALL**

STATISTICAL REPORT

Volume XXIII

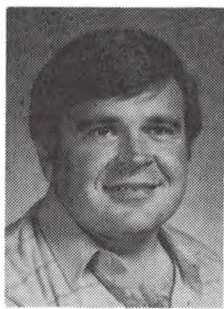

Prepared by John Vosejпка

FOREWORD

The 24th season of St. Paul City Conference girl's basketball is now history. You were part of that history. My 23rd annual report is a look at some of the statistics of the just-completed season, as well as past seasons. It is the culmination of more than 50 hours of compilation, typing, duplicating and binding.

This report is, by no means, the effort of just one individual. My thanks go to every coach for submitting their home game statistics. This season I had everyone's sheets one week after the conclusion of the regular season. THANKS! You made this report possible!

As I have stressed in previous reports, my sole objective in compiling these stats has always been to give every player and coach in the conference some well-deserved recognition and to give special honor to those that excel in a particular category. Remember that a player's ability cannot, and should not, be measured solely on her statistics.

Cretin-Derham Hall won its record seventh consecutive conference title. The Raiders have amassed an amazing 59-2 log in the conference during that time. In going undefeated this season the Tom Cody coached Raiders extended their winning streak to 19 games, just four shy of tying the Raider record of 23 games. Highland Park's Alicia James won the scoring title, becoming the first Scot to secure this honor since 1980 when Charlyne Davis won the title. Her 13.1 average was the lowest amount to ever win the scoring title. The Scots Nzinga Baer-Taki ended her five-year career at Highland Park amassing 520 points, fifth on the Highland Park all-time list.

As you peruse the pages of this and previous reports, I hope that it will help you remember the players, teams and records of St. Paul City Conference girl's basketball. See ya!

A handwritten signature in black ink that reads "John A. Vosejka". The signature is written in a cursive style with a large, looped "J" and "V".

John Vosejka
Conference Statistician
